Not enough space for physical distancing
Safe Streets Stockport

Tell us about locations in your neighbourhood that may need temporary changes to help people get about safely during the coronavirus crisis.

Use the Safe Streets map to check what has already been reported or to flag up new problems in your local area.

This consultation closes at 11pm on Monday 27 June

“Add an additional 100km of segregated cycle lanes, temporary widened footways and low traffic neighbourhoods.”
More greenery
New tunnels opened to traffic at The Headrow
New public space
Car traffic removed from The Headrow
New wide crossing
Wider pavements
**Trust**  
**Embracing Open**

- Transparency & openness: a digital strength
- Generates ‘social proof’
- Builds a collective, constructive dialogue

**Shared Understanding**

- A developing conversation - not one off poll
- A collective set of Priorities
- A shared understanding of needs
About the Levenshulme Bee Network

Accelerating Collaboration

- Huge opportunity to catalyse positive change
- Digital can reach way beyond those who normally participate
- And move people from combat to collaborators
- Prioritisation of spaces and routes for active travel.
- Huge interest in the community.
- Created ground-up inspired designs.
The author of this comment would like to create a table.

What is the place that you have marked on the map?

Area of independent shops around Cathedral Bridge

Why do you feel this way? (check all that apply)

Social shopping, attractive, sense of community, pleasant

Do you have any other comments?

There are some good independent shops in this area like the Chinese deli and the Turkish supermarket. Please can these not be placed be encouraged and included in the planning?
